

Montage-set t.b.v. hangende onderkast-elementen

INHOUD:

- 8 x plug S 10
- 8 x houtdraadbout m8 x 90
- 8 x sluitring t.b.v. m8

ATTENTIE !

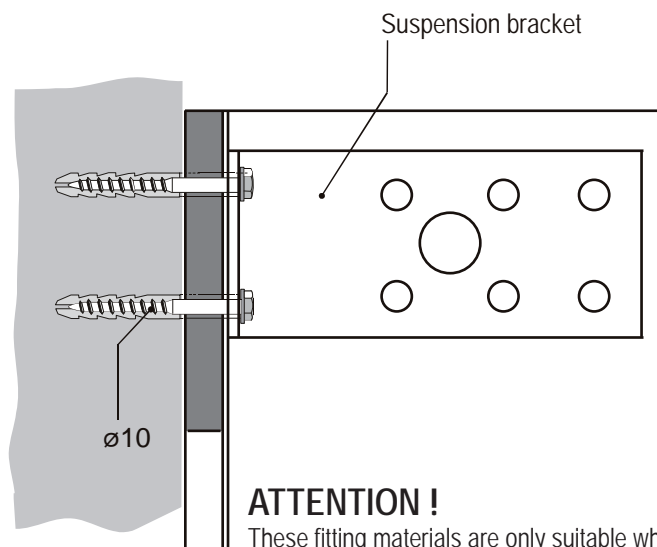

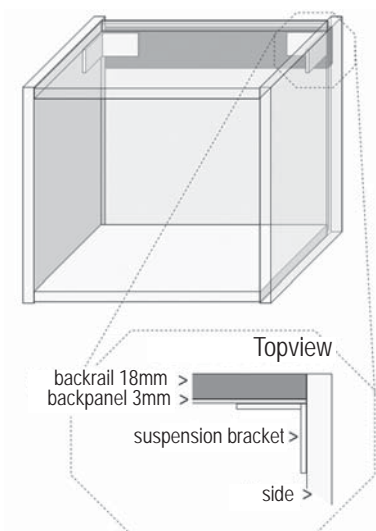

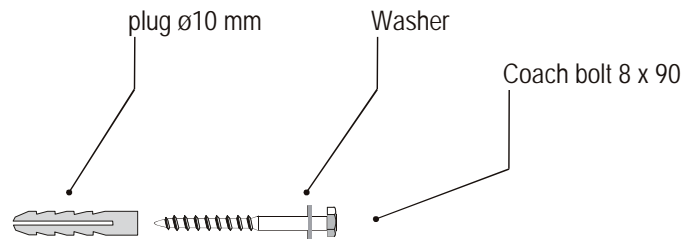

Deze montage-set is enkel geschikt voor toepassing in beton, massieve baksteen en vol kalkzandsteen wanden!

Voor alle overige wandsoorten dient ter plaatse door de vakman het juiste montagemateriaal te worden bepaald, zodat er een veilige montage mogelijk is.

Fitting instructions for suspended base units

CONTENTS:

- 8 x plug S 10
- 8 x Coach bolt m8 x 90
- 8 x Washer for m8

ATTENTION !

These fitting materials are only suitable when fixed into concrete, solid bricks and solid breeze blocks!

For all other walls proper fixing material will have to be determined on site by a skilled fitter in order to guarantee a safe fixing.
